

## SUPPORT FROM OUR PARTNERS

As schools start to plan for the return of their students, GL Assessment can support you with assessments that can help:

- Support transition and baselining – for Year 6 into Year 7 but also useful for Years 9 into 10 and Years 11 into 12 ([CAT4](#))
- Close the reading gap – especially for disadvantaged students ([New Group Reading Test](#))
- Identify gaps in learning in core subjects ([Progress Test Series](#) in English, maths and science)
- Understand the social and emotional needs of students on their return to school ([PASS attitudinal survey](#))

Visit [gl-assessment.co.uk](http://gl-assessment.co.uk) for further information or alternatively contact us at [interest@gl-assessment.co.uk](mailto:interest@gl-assessment.co.uk) or 0330 123 5375.

### Coping with the Financial Impact of Coronavirus

While, as a school or college leader, your income has not been affected by corona virus, your household income or that of members of your wider family may have dropped, for instance because a member of the household has been furloughed, made redundant or is unable to work.

With this in mind, Lighthouse Financial Advice, our preferred partner for professional financial advice, has extended its offer of a **complimentary, no obligation initial telephone consultation to include the wider family of all ASCL members.**

To book a personal telephone consultation call 08000 85 85 90, email [appointments@lighthousefa.co.uk](mailto:appointments@lighthousefa.co.uk) (quoting ASCL) or visit [www.lighthousegroup.plc.uk/affinity/ascl/](http://www.lighthousegroup.plc.uk/affinity/ascl/)

### OnBoard Webinar – Technology to Support Remote Leadership Team Meetings!

If you are looking for the right technology to support remote leadership team meetings in the evolving landscape we now live in, why not join the Passageways webinar ‘Technology to Support Remote Leadership Team Meetings!’, on Thursday 14 May at 2pm.

The webinar will be looking at the key points to consider when evaluating the different forms of technology available to you. In addition, a checklist of activities will be covered to ensure that the option you select it right for your organisation.

Click [here](#) to register.

### Martin Bell - ‘Engaging the Brain, Staying Sane in the Age of Covid-19’

Education Mutual are privileged that Martin Bell is making himself available to **your staff** on Thursday 14 of May at 11am for a **FREE Webinar** when staff will have the opportunity to hear more from Martin who will be talking about the need to keep the mind active and engaged but also talking about the parallels which are remarkable of Defoe’s ‘Journal of the Plague years’.

To register please click [here](#).

Education Mutual is the only staff absence protection recommended by the Department for Education

FlashAcademy® EAL is a digital language learning platform, teaching English curriculum content from 45 home languages via interactive lessons, games and adaptive technology. Helping over 60,000 learners in the UK, the platform enables independent learning and is accessible on smartphone, tablet and PC. Teachers can set assignments remotely and track learning progress through a teacher dashboard.

FlashAcademy® EAL offers hundreds of [free downloadable resources](#), including packs to support home learning. Topics include a [four-week project pack](#), [Maths & Literacy](#), [independent study skills](#), [parents' guide](#) and more.

*"We've been so grateful to FlashAcademy® responding so quickly to the current situation, providing us with high quality and EAL-appropriate home learning booklets to continue language acquisition from home."*

Hollie O'Sullivan, Head of EAL, Great Barr Academy

ASCL members receive an exclusive 5% discount towards a FlashAcademy® school licence, when quoting promo code: **ASCL**. For a free virtual demo, please contact: [hello@flashacademy.com](mailto:hello@flashacademy.com) or call **0121 724 0854**.

## STEM Learning - Home Teaching and Professional Development for Teachers

Continuing professional development and remote lessons

- Live remote CPD and online courses for teachers of science, mathematics and computing, including a new course focussing on how to run a STEM Club remotely.
- Online, curriculum-linked science and computing lessons accompanied by live Q&A sessions with subject experts.

### Resources

STEM Learning has curated high-quality, free resources for teachers and families to support both home and in-school learning of STEM subjects for every age group.

### STEM Ambassadors

STEM Ambassadors are offering 'virtual volunteering', particularly supporting schools currently open for children of key workers.

## Zenergi Support for ASCL Members

From sunflower growing competitions (#readyzengrow) to [weekly printable worksheets](#), Zenergi's aim is to support schools and parents keeping children entertained during lockdown.

A handy coffee-break [mini-webinar series](#) offers useful and helpful advice for anyone with 'energy' on their 'to do' list. Whether it's renewing your Display Energy Certificate (DEC), to advice about renewable energy solutions, or simply OJEU-compliant gas and/or electricity renewals, Zenergi is available to help: [bepositive@zenergi.co.uk](mailto:bepositive@zenergi.co.uk) | **023 8028 6300**

Unifrog has been working tirelessly to make sure that careers programmes at over 2,000 schools and colleges across the UK remain stable during this unprecedented time of disruption and uncertainty. Their online platform allows teachers to set CEIAG tasks remotely during the school closures, track students' progress and provide feedback on their work. The platform also assists schools and colleges to manage the full UCAS process remotely including complete oversight of subject references and personal statements. In addition, Unifrog's expert team are offering one-to-one support on strategies for successfully engaging students with their bespoke Distance Learning Programme, a series of downloadable student resources (KS3, 4 and 5), which you can access [here for free](#). Contact them today at [info@unifrog.org](mailto:info@unifrog.org) to arrange an online demonstration of their platform.
